Connecting people with
learning disabilities in Dorset

Who are People First Dorset?

We are a charity led and run by people with learning disabilities, with support from staff and volunteers.

We want to be independent, to have our voices heard and be included in community life.

Welcome to the Connect Dorset Newsletter!

Inside you will find information about our meetings and events for November.

We usually send the newsletter every 2 months, but we will be sending it monthly over the winter.

This is because the number of Covid 19 infections is increasing.

So we need to be able to check the infection numbers and new guidance more frequently throughout the winter.

Then we can organise events that try to keep everyone as safe as possible.
