

Plans for face-to-face activities at People First Dorset from 4 January 2022

The new COVID rules (plan B) that the government announced last year are still in place. This is because of the new variant called Omicron, which is spreading easily and quickly.

After reviewing the risks, we have decided to restart our events from Tuesday 4th January 2022.

IMPORTANT: If you would like to attend any of our events, please follow our guidelines below.

Please only attend our events if you have had your booster vaccination.

This is because you are more likely to catch COVID if you have not had your booster.

Please wear a mask to our events unless you are exempt.

Please, if you can, do a lateral flow test before you attend our events.

If you have any symptoms of a cold or covid, please do not come to an event.

We will continue to monitor the government rules and risks, so that we can keep you safe.

If we decide we must cancel any event, we will let you know by:

- Emailing you
- Posting on Facebook
- Putting a notice on our website

Please check the above before coming to any event.

If you have any questions, please don't hesitate to contact us by email or phone.
